

One Touch

You said you'd be home when Christmas comes around
But baby you know that's four months from now
The smile in your eyes is something I miss
Since after we had our last farewell kiss

And I try to be strong like you told me to be
After all, what's four months in the grand scheme of things?
But these pictures you send, it just isn't enough
And I need

Chorus:

**The touch of your arm, a kiss on the cheek
Baby one hug is all that I need
It's so hard right now, I'm not asking for much
All that I need is ONE TOUCH
1,000 some miles, is a world away
Your face on the screen, it just isn't the same
It's so hard tonight, I'm not asking for much
All that I need is ONE TOUCH**

I often wonder are we the same
People we were or have we changed?

I often wonder is this distance too much
I think I could tell with just one more touch

And I try to be strong like you tell me to be
But four months is longer than I thought it would be
And these pictures you send
They aren't nearly enough
Can't you see

(Chorus)

For you to come home at night
Pull me in and hold me tight
Tell me that you'll never leave again
We can talk on the phone
But when we're done I feel alone
Wishing you were with me

This hole in my heart
Continues to grow
Wherever you are
That's where I want to go

(Chorus)
