

Wondergirl

The ground was hard beneath my feet, It bruised me and it burned
Shards of glass stuck in my skin from past loves, but I've learned
That sometimes life throws at you just exactly what you need
Your medicine, it healed my heart, I never want to be apart

I want to breathe you in always

I want to sing along to the sound of your voice

I want to see your face all days

It's like we're tied together so we can't fall apart

So you picked me up and carried me along the winding road
You weren't just a house to sleep in, you became my home
And when I woke up next day, I found you still there
You were lying right beside me, so I knew you cared about me

(Chorus)

And you know how to know what I'm thinkin'

And you read my thoughts so I had to let you into my heart, into my heart

Your golden hair, it is my sun

You brighten my whole world

Your words are playin' in my head

You say that I'm your WONDERGIRL

Say that I'm your WONDERGIRL, please say that I'm your WONDERGIRL,

Say that I'm your WONDERGIRL, yes say that I'm your WONDERGIRL

(Chorus)

Say that I'm your WONDERGIRL, please say that I'm your WONDERGIRL,

Say that I'm your WONDERGIRL, yes say that I'm your Wonderful – WONDERGIRL
