

# LOSE MY WAY

Wake up in the morning, you're the first thing on my mind  
Think about you night and day and I keep losing track of time  
My brain can't help but wander, my body can't stay still  
Every time I'm near you, you give me such a thrill

**Chorus:**

**Boy you make me LOSE MY WAY**

**You take my breath away**

**You're keeping me awake**

**Boy you make me LOSE MY WAY**

I'm having trouble breathing my feet aren't walking straight  
I'm having trouble finding an unattractive trait  
The fire when I see you goes running through my spine  
I need to get a grip or else I'm gonna lose my mind

**(Chorus)**

Give me a solution to end this crazy ride  
The way I feel about you is something I can't hide  
I'm tripping and I 'm falling, I'm running into walls  
Baby won't catch me quick before I fall

**(Chorus)**

I'm gonna lose it

You make me lose it

I'm gonna lose it

Make me LOSE MY WAY

(Interlude)

I'm gonna lose it

You make me lose it

I'm gonna lose it

LOSE MY WAY
